

CEARNÓG BHAILE SHLÁINE SLANE VILLAGE SQUARE

BAILE SHLÁINE SLANE

Is leanúnachas, tiomantas pearsanta agus athchóiriú buan a chuir cruth ar Bhaile Shláine, ceann do na bailte is clúití in Éirinn.

De réir an tseanchais, las Naomh Pádraig tine a léirigh athrú i bhféiniúlacht na hÉireann thar 1,500 bliain ó shin. Ar feadh níos mó ná trí chéad bliain, chuir teaghlach amháin - na Conynghams - caibidlí nua le scéal spéisiúil an bhaile agus gach glúin ag fágáil a riain. Agus ar feadh tríocha bliain anuas, tagann na mílte agus na mílte le chéile go rialta ag Caisleán Bhaile Shláine le sult a bhaint as bannaí ceoil agus as na ceoltóirí is clúití ar domhan.

Le linn ar fad, choimeád an baile a mhealltacht, a áilleacht agus a bhuanacht ar leith. Níl aon ghá deifriú in áit mar seo a bhfuil a scéal ag síneadh comh fada sin siar. In áit sin, glac do chuid ama agus tum tú féin i scéalta naomh, ríthe agus réaltaí a fhágann gur áit iontach ar leith atá anseo.

One of Ireland's most well-known towns, Slane has been shaped by centuries of continuity, personal commitment and constant reinvention.

Legend says that over 1500 years ago, St Patrick lit a fire that signalled a transformation in Ireland's identity. For over three hundred years, one family - the Conynghams - have added new chapters to the town's fascinating story as each generation made its mark. And for the past three decades, tens of thousands gather regularly at Slane Castle to enjoy the world's most famous bands and musicians.

During all this, the town has retained its unique charm, beauty and timelessness. In a place whose story stretches back so far, there's no need to rush. Instead, take your time and immerse yourself in the tales of saints, kings and stars that make this special place so fascinating.
